PRESS RELEASE

Year: 2018 / Issue: 1

PREPARED by OSMANIYE PROVINCIAL DIRECTORATE OF NATIONAL EDUCATION

Prepared and Pressed every 6 Months

Mobile youth peer mentoring application to facilitate distance mentoring guidance for youth with disabilities

Main aims:

- To develop a novel youth peer mentoring pedagogy which will be used by youth workers to train youth peer mentors to support PwD
- To develop training tools for youth mentors and youth mentees with disabilities
- To develop a mobile app for implementation of distance guidance
- To provide innovative type of guidance matching the knowledge and understanding during the mentoring process of youth with disabilities and their peer mentors guidance
- To strengthen the collaboration among youth organisations, local authorities, chambers of commerce, universities, NGOs and SMEs and organizations de-voted to support employment of youth with disabilities
- To fight against social isolation and stigmatization towards PwD
- To open new horizons for the efficient use of free time of youth

Following products will be developed:

- IO1: Youth Peer Mentors Pedagogy Framework
- IO2: Job inclusion guidebook for young mentors
- IO3: Impact assessment youth peer mentoring tool
- IO4: Mobile youth peer mentoring application to facilitate distance mentoring guidance for youth with disabilities (Android based)
